Dear Mr. LaPorta,

This correspondence is regarding the Public Broadcasting Grant, specifically your application under project number 21-359-91460 in the sub-award amount of \$3,203.48 for the sub-award period of 07/01/2020 through 06/30/2021. Your application has been submitted and reviewed multiple times. Throughout the review process you have been provided with specific feedback for amending your application to ensure alignment to the specifications and requirements of the Public Broadcasting Grant. After reviewing your most recent submission, it has been determined that your application does not align to the specifications and requirements of the Public Broadcasting Grant. Regrettably, the Nevada Department of Education withdraws the anticipated subaward as previously noted. Should a future opportunity for funding becoming available and you believe that your organization meets the criteria, please consider applying.

Educationally Yours,
